COUNTY BUDGET GIVEN SOLONS; IS CUT \$4,000.

Legislators entertained at dinner; Inspect Buildings at Boscawen.

Members of the Merrimack County delegation today were given a new budget for the next two years showing an estimated drop of \$4,000. annually below the \$395,000. raised in 1940 by taxes.

The budget was submitted to the delegation at its biennial budget meeting at the county farm in Boscawen this noon.

The estimates were drawn by seven-man subcommittee, headed by Rep. Alfred S. Cloues of Warner, who is also county treasurer. Serving with him were Representatives John E. Bunten of Concord, Victor E. Phelps of Andover, John H. Perkins of Pittsfield, Ernest Stuart of Wilmot, Donald G. Matson of Concord and Louis H. Doughtinett of Franklin.

GUESTS AT DINNER

Following an inspection of the county buildings this morning, the delegation enjoyed a dinner as guests of county officials.

As in past years, the budgets for each of the next two years are considerably above what was actually spent last year. But the county commissioners ended 1940 with surplus cash of about \$40,000. By law, this automatically becomes available to help create a slight tax reduction for this year and 1942, it was explained by Chairman Arthur H. Britton of the county board of commissioners.

Rep. Herbert D. Swift of New London, chairman of the county delegation, presided at the dinner.

Slightly more than one-half of the county tax is paid by Concord residents.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of the Court, Auditors, Superintendent of County Farm, and House of Correction, Farm Physician, and Chaplain for the year ending December 31, 1941.

COUNTY FARM

In coming to you with our report of the activities at the Farm during the past year, we are pleased to say, that the administration of the affairs at the County Farm has been such, that every taxpayer of the county could well be proud. There is no better preparation for doing a good job, than experience, and we are indeed fortunate in having Superintendent and Mrs. J. M. Lorden still in charge of the Farm and Home, who, through long experience and first hand knowledge of the problems involved, have given us an economical administration of the financial affairs, and have continued to make the Home what it should be, a Real Home for those who are privileged to enjoy it. And to go a step further, let us say that this fine work could not have been done without the cooperation of all employed at the institution, including our House Physician, Dr. Herbert A. Messinger, whose valuable services at all times, we appreciate. There are many times during the year when outside talent has been brought to the Home, especially at Christmas time, and we wish to extend our sincere thanks, in behalf of the County, to all who have so generously contributed in time, talent and gifts. We will not enumerate the various activities at the Farm, but will refer you to the report of the Superintendent, which we hope you will read with much interest.

WELFARE AND RELIEF

We are pleased to report that working conditions have improved in recent months, and this has reflected itself in a substantial reduction in the amount necessary to be paid, for so-called direct relief, and has also improved the morale of many, who, through no fault of their own, have in the past found it necessary to ask for aid. We hope this situation may still improve. We feel that a like improvement should also prevail with the administration of Boarded Children, as the parents get back to regular employment.

Total number of Old Age Assistance cases in Merrimack County, January 1, 1941	692
Total number of Old Age Assistance cases in Merrimack County January 1, 1942	745
Increase during year 53	

Although there has been a substantial reduction in the number of County Relief cases during the year, the Old Age Assistance cases are on the increase. On account of change in relief settlement law which took effect July 1938; 40 cases were transferred from the towns and cities to the county during the year 1941.

This means that this number of cases became the financial responsibility of the county and relieved the towns and cities that much.

But after all let us repeat: "that whatever unit of government, Federal, State, County, City or Town administers relief, it is the taxpayer that has to pay in the final analysis." So let us make the best laws we know how and administer them the best we can.

FINANCES

It is with considerable satisfaction that we are able to report that for the last three consecutive years, Merrimack County has been able to keep expenditures within budget appropriations, to reduce its debt and county tax as well. The county tax was reduced \$61,585.61 below the tax budget as voted for 1941. The county debt was reduced \$50,080.37. The net debt as of December 31, 1941 was \$4,414.39. The indebtedness consists of \$66,000.00, 4% outstanding building bonds, which mature \$6,000.00 each year through 1952.

In submitting this report to the citizens and taxpayers of Merrimack County, we wish to express our appreciation to the State Board of Public Welfare, the several Overseers of the Poor and the many others who have given us their co-operation and assistance in our part of the administration of the affairs of the county.

Respectfully submitted,

ARTHUR H. BRITTON,
G. CARROLL CILLEY,
GEORGE W. PHILBRICK,

Commissioners of Merrimack County.

Respectfully submitted,

JOHN L. T. SHAW,

We have examined the foregoing account of John L. T. Shaw, and Alfred S. Cloues, Treasurers of Merrimack County, and find the same correctly cast and properly vouched.

ARTHUR H. BRITTON,
G. CARROLL CILLEY,
GEORGE W. PHILBRICK,
Commissioners of Merrimack County.

December 31, 1941.

STATE OF NEW HAMPSHIRE
MERRIMACK COUNTY

We hereby certify that we have carefully examined the accounts of the County Commissioners and Treasurer and cash accounts of the Superintendent of the County Farm for the twelve months ending December 31, 1941, that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value; and all such articles have been used for the benefit of the county, according to the best of our information, knowledge, and belief; and that the charges for expenses of the County Commissioners appear reasonable.

From the evidence submitted to us it appears that the provisions of Chapter 108, Laws of 1941, relating to purchases by competitive bidding have not generally been complied with, although the Commissioners state that comparative prices have been obtained orally in many instances.

The County Commissioners have furnished us a sworn statement showing that there were outstanding bonds of the County amounting to \$66,000.00, and outstanding notes amounting to NONE, as of December 31, 1941.

HAROLD CHENEY,
J. MITCHELL AHERN,
Auditors of Merrimack County.

Dated at Concord, N. H., this 19th day of January 1942.

REPORT OF THE PHYSICIAN

To the Honorable Board of Commissioners of Merrimack County, I submit the following report:

During the year 1941 the medical service of our hospital kept stride with progressive treatment as we have used Chemotherapy to a great extent.

This treatment has necessitated basic laboratory service in order to intelligently diagnose and treat our patients. We have been fortunate that one of our staff members is able to handle this work, thereby eliminating the expense of outside service.

The hospital has had few empty beds during the past year but we are fortunate in that our death rate has decreased.

I wish to extend my thanks to the Superintendent and Matron, the nursing staff and the Board of County Commissioners for their co-operation.

HERBERT B. MESSINGER, M. D.

REPORT OF THE CHAPLAIN

To the Commissioners of Merrimack County:

The Chaplain has carried on the usual services during 1941, conducting 19 Sunday afternoon preaching services, the first and third Sundays except during July and August. One had to be omitted in October during the Two Hundredth anniversary week of the Boscawen Congregational Church. During other necessary absences he has been assisted by the Rev. Noble O. Bowlby of Franklin and Rev. Charles W. Kelley of Penacook. At Christmas time the Junior Choir of the Boscawen Church in their vestments, sang Christmas carols. The chaplain was called upon only once during the year for a funeral. The Rev. Father Hannon of Franklin conducts Catholic Mass twice each month. The Women's Christian Temperance Union is responsible for one service a month under the leadership of Mrs. Corriveau of Laconia and the Christian Science Church conducted a service every two months.

The annual picnic held in July at Canobie Lake, Salem, was a happy and successful time for the Farm family and the annual Christmas party given by the Concord Professional and Business Women's Club, assisted by well known singers and the inimitable Harold Cheney as Santa Claus was another "high light". It is difficult to express the appreciation due the Club for its unstinted generosity in time, talents and gifts.

Appreciation is also expressed for the gifts of books and magazines sent in during the year. For the hearty and generous co-operation of Superintendent and Mrs. Lorden and other officers, the members of the Family who form the chorus for the Sunday services and the pianist, Mrs. Colcord, the Chaplain is very grateful.

Respectfully submitted,

REV. ASA M. PARKER,

Chaplain.

Numerous appeal cases from the Municipal Courts in the County were disposed of at the April and October terms. The case of the State v James Langley was transferred from the Superior Court by the presiding Justice to the Supreme Court in order to determine certain questions of law.

Juvenile cases involving both delinquent and neglected children were not as numerous as in the previous year. These cases were investigated and disposed of by the several agencies. Non-support cases were about as numerous this year as in the previous year. This was due to the continued efforts and diligence of the relief authorities in the towns and cities to reduce the costs of relief.

In the disposition of felonies in the Superior Court,

where the felon was indicted by more than one true bill, sentence was imposed upon one indictment and the other indictments were continued for sentence to insure to the public the good behavior of the felon after the imposed sentence was fulfilled.

An increase in the expense of the enforcement of criminal law was noted over the previous year, due to the apprehension of felons in distant communities and areas. It is the belief of this office that because of the removal of persons from this county to industrial defense centres, the number of the non-support cases will diminish, yet the enforcement of the non-support cases will increase expenses in returning the delinquent husband or father to this jurisdiction or by arriving at other satisfactory arrangements to insure continued and uninterrupted marital and parental obligations of support.

All complaints lodged with this department were investigated through either the state, county, city or town agencies, and with but a few exceptions were satisfactorily concluded.

The suit of Melina Morrell v County and City of Franklin is still pending in our Superior Court and will be reached before the beginning of the April term 1942.

Respectfully submitted,

RAYMOND K. PERKINS,
County Solicitor.
